

The Karnataka State Cricket Association
M. Chinnaswamy Stadium, Cubbon Road, Bangalore – 560 001

Notification for expression of interest for Project Management Consultancy (PMC) services.

Technical supervision of infrastructural works of design, manufacturing and erection of flood light towers at M. Chinnaswamy Stadium, Bangalore.

The Karnataka State Cricket Association is planning to dismantle the existing lattice steel structure of flood light towers and install uni-pole high mast towers (including electrical works) to upgrade the flood lighting system. Consultants must not only be competent in technical supervision work but also be able to prepare, check and certify the detailed designs and drawings, preparation of proposals, tender documents etc., to obtain necessary approvals from management/AGM and if required other statutory authorities to speedily implement the project. Qualified Project Management Consultants (individual/firm/LLP) with experience in supervising the civil, electrical, MEP and related work may please submit their bids at KSCA office, under two separate covers i.e. technical bid and commercial bid addressed to the Hon. Secretary, KSCA on or before 3:00 PM, 30th June, 2020. Commercial bids will be considered only from Consultants who qualify technically.

Please contact Mr. Syamjith, Electrical Engineer, Mobile +91 9844441684, email id electrical@ksca.co.in for prequalification conditions before submitting the bids.

Hon. Secretary, KSCA
